

COVID-19 Update for Residents

March 17, 2020

- Please follow all posted health recommendations including frequent hand washing & sanitizing.
- Practise "Social Distancing" = Stay 6 ft away from other people at all times.
- Doors are now locked 24hrs/day. Residents can use your fobs to enter.
- Try not to leave the Lodge unless absolutely necessary. This is risky for you and your fellow residents. If you must go out, use social distancing.
- Entry to Chalmers is limited to essential services only and entrants must pass the health and travel screening to be allowed in.
- Residents are no longer allowed visitors unless for essential services. Contact LPN directly to inquire: 604-340-4111.
- Communal spaces are for Resident use only.
- All activities are cancelled except daily exercises.

These restrictions & recommendations are for the protection of everyone at the Lodge. Speak to Nursing staff if you have questions. We are all working together against the COVID-19 pandemic.

Thank you,
Chalmers Lodge Management
